

Snapshot Update – August 2016

National Land Survey Program

NATIONS TOP 5 SELLING LAND ESTATE.

The National Land Survey Program (NLSP) monitors the performance of over 1,000 projects each quarter.

The performance is based on the projects's net sale rate for the past six months - January through to June 2016.

The official top 5 performing land estates for the June2016 quarter;

#1 Elara by Stockland, located, Sydney North West.

#2 Woodlea by Mirvac & VIP, located Melbourne, West.

#3 Jordan Springs by LendLease, located Sydney, West.

#4 Yarabilba by LendLease, located South East Queensland, Logan.

#5 Highlands by Stockland, located, Melbourne, North.
